1

PROJECT OVERVIEW

Harsh Phalke Films And Photography is a premium photography and videography studio based in Pune, Maharashtra. This document defines the complete product requirements for a **static, visually stunning web application** that allows customers to browse services, configure bookings, auto-generate bills, pay via UPI QR, and submit booking details — all without any backend infrastructure.

Parameter	Detail
Client	Harsh Phalke Films And Photography
Platform Type	Static Frontend — Pure HTML + CSS + Vanilla JS
Goal	Showcase services, auto-generate bills, enable UPI payment & WhatsApp booking
Tech Stack	HTML5, CSS3, Vanilla JavaScript (No backend, no database)
Deployment	GitHub Pages / Netlify (Free hosting)
Target Audience	Wedding, Pre-Wedding, Fashion, Event Photography clients — Pune & Maharashtra
Version	1.0 May 2026

Key Business Goals

- Generate leads through a cinematic, premium online presence
- Allow customers to self-select services and get an instant price estimate
- Auto-generate a professional bill card for transparency
- Enable frictionless UPI payment with QR code
- Collect booking details via Google Form — zero manual effort
- Provide direct WhatsApp / phone contact for quick communication

2

BRAND IDENTITY

Brand Element	Detail
Brand Name	HARSH PHALKE — PHOTO & FILMS
Logo Style	Film camera icon + bold serif text
Tagline	"Stories Today. Memories Forever."

Colour Palette

Black Background #0A0A0A	Gold Accent #C9A84C	Cream / White #F5F0E8	Dark Grey #1E1E1E
-----------------------------	---------------------	-----------------------	-------------------

3

SITE STRUCTURE & SECTIONS

The website is a single-page application (SPA) with 8 major sections accessible via smooth scroll navigation.

#	Section Name	Purpose
1	Hero / Landing	Full-screen cinematic hero, tagline, CTA buttons, smooth scroll animation
2	About Us	Brand story, vision, approach, and promise badges on dark textured background
3	Services	Event shoot selection, album packages, add-on services with live bill generation
4	Bill Generator	Live itemised bill card with customer name field and printable output
5	Payment (UPI)	UPI QR code display after bill generation, WhatsApp screenshot submission
6	Booking Form	Google Form embed with auto-filled event type, date, and total amount
7	Contact	WhatsApp button, phone call, Instagram link, location (Pune)
8	Terms & Conditions	Collapsible accordion with all 10 T&C; points

3A — All Shoots (Event Selection)

Priority Events (shown first):

- Wedding Photography (Full Day)
- Pre-Wedding Shoot
- Engagement Shoot
- Haldi / Mehendi Shoot
- Destination Wedding

All Other Categories:

- Couple & Wedding Shoots
- Fashion & Model Shoots
- Cinematic & Film Shoots
- Nature & Travel Shoots
- Studio Shoots
- Social Media & Influencer Shoots
- Traditional & Cultural Shoots
- Adventure & Action Shoots
- Beach Shoots

- Fort & Heritage Shoots

Full Day vs Half Day Toggle: Each event selection shows a Full Day / Half Day toggle. Full Day applies full-day pricing. All other events default to Half Day pricing.

3B — Album Packages

Album Size	Price per Page	Cover Price	Example (20 pages)	Notes
8 x 24 (Small)	Rs. 70 / page	Rs. 500	Rs. 1,900	Entry level
12 x 36 (Large)	Rs. 100 / page	Rs. 700	Rs. 2,700	Premium size

Customer enters number of pages → bill auto-calculates total (pages × rate + cover price).

3C — Add-on Services

#	Add-on Service	Price (Rs.)
15	Traditional Photographer	Rs. 6,000
16	Candid Photographer	Rs. 8,000
17	Traditional Videographer	Rs. 5,000
18	Cinematic Shoot	Rs. 10,000
19	Drone Shoot	Rs. 8,000
20	Screen	Rs. 12,000
21	Album 100 Photos (Small)	Rs. 10,000
22	Traditional Video Edit	Rs. 2,000
23	Cinematic Shoot H+T	Rs. 6,000

4

12	Terms & Conditions	Collapsible accordion with all 10 T&C; points
13	Smooth Animations	Scroll-reveal, fade-in on load, hover effects on service cards
14	Mobile Responsive	Mobile-first design — fully responsive across all screen sizes

7

INTEGRATIONS

Integration	Method / Detail
Google Form	Embed via iframe or open-in-new-tab redirect link for booking data collection
WhatsApp	wa.me/91XXXXXXXXXX?text=... — pre-filled message for quick contact
Phone Call	tel:+91XXXXXXXXXX — direct call button in contact section
UPI Payment	Static QR code image (Harsh provides UPI ID) — no payment gateway required
Instagram	External link to Harsh Phalke Films Instagram profile

8

DESIGN REQUIREMENTS

Design Parameter	Requirement
Theme	Dark cinematic — black background, gold accents, cream/white text throughout
Primary Font (Headings)	Playfair Display — elegant, cinematic serif
Secondary Font (Body)	DM Sans — clean, modern, highly legible
Animations	Smooth scroll reveal, fade-in on page load, hover card effects
Mobile Responsiveness	Mobile-first design — works perfectly on all screen sizes
Performance	No heavy JS libraries — pure vanilla JS only for fast loading
Image Handling	Optimised photography portfolio images; hero background with overlay
Accessibility	Sufficient colour contrast, readable font sizes, keyboard-friendly CTAs
No Backend Required	Fully static — no server, no database, no authentication

9 INFORMATION REQUIRED FROM CLIENT

#	Item Required	Purpose / Where Used
1	UPI ID or QR Code image	Payment section — displayed after bill generation
2	WhatsApp number	wa.me links throughout the site
3	Phone number	Contact section — tel: link
4	Instagram handle / URL	Social link in contact section
5	Google Form link	Booking form embed or redirect
6	Final confirmed pricing (full & half day)	Bill generator accuracy — current prices need confirmation
7	City / Location details	About Us and Contact sections
8	Portfolio photography images	Hero section background and About section showcase

10 OUT OF SCOPE — VERSION 1.0

The following features are intentionally excluded from this version:

- No user login / signup or authentication system
- No backend server or database
- No admin panel or CMS
- No payment gateway integration (UPI QR only — no Razorpay / Stripe)
- No automated email notifications (handled via Google Form)
- No analytics dashboard
- No blog or portfolio management system
- No multi-language support

11 TERMS & CONDITIONS (Website T&C Section)

The following 10 T&C; points will be displayed in a collapsible accordion section on the website. Proceeding with a booking constitutes acceptance of all terms.

#	Term	Detail
1	Booking Confirmation	Advance payment is non-refundable. Booking is confirmed only upon receipt of advance.
2	Payment	Remaining balance must be paid on or before the shoot day. No exceptions.
3	Timing	Any delay by the client may reduce the shoot duration or attract additional charges.
4	Cancellation / Rescheduling	Subject to availability. Rescheduling must be requested at least 7 days in advance.
5	Travel & Permissions	Entry fees, venue permits, and travel expenses are to be arranged and borne by the client.
6	Editing & Delivery	RAW files are not shared. Edited photos and videos delivered within agreed timelines.
7	Copyright	Photographer retains the right to use images/videos for portfolio and social media promotion.
8	Liability	Not responsible for unfavourable weather conditions, venue restrictions, or accidental damage.
9	Client Responsibility	Client is responsible for arranging outfits, makeup, belongings, and required props.
10	Agreement	Proceeding with booking implies full acceptance of all Terms & Conditions listed above.

12

DELIVERABLE & HOSTING

Deliverable Item	Specification
Primary Deliverable	Single file: index.html — all CSS and JS embedded inline
Hosting Option 1	GitHub Pages — free, reliable, custom domain support
Hosting Option 2	Netlify — free tier, drag-and-drop deploy, HTTPS included
Hosting Option 3	Any basic shared web hosting (upload index.html + assets)
Mobile Compatibility	Fully responsive — tested on mobile, tablet, and desktop
Browser Support	Chrome, Firefox, Safari, Edge (modern versions)
Performance Target	Lightweight — no heavy libraries; fast load on mobile data
No Dependencies	No npm, no build step, no server required to run

PRD prepared based on service images, pricing data, and chat shared by Harsh Phalke Films And Photography.
All pricing and contact details must be reviewed and confirmed by the client before development begins.
